

TREES FOR LIFE 'I helped grow a native tree'
SCHOOL FUNDRAISER APPLICATION FORM

For every \$2 raised, TFL will grow a native seedling on your behalf. Student donors receive a sticker for participating and your school receives a biodiversity 10 pack of seedlings for every \$100 raised .

Your school can help support Trees For Life's work in revegetation and conservation. Native trees and shrubs provide vital food and habitat for wildlife, help reduce erosion, absorb carbon and look beautiful!
 Help Trees For Life make your local environment a better place for our future.

Name of your School:

Your class name: (if class based fundraiser)

Contact person:

Position title: (if applicable):

Contact person's phone: **Mobile:**

Email:

Every student donor receives a special 'I Helped Grow a Tree' sticker to show they have participated.
 For every \$100 raised your school receives a biodiversity 10 pack of local native plants.

Tell us how many stickers (one per person) you think you will need for your school

Postal address for stickers:

1. Please tell us about your fundraising plans, when it will be and what it will entail (i.e. casual day, 'wear something green' day, cake stall). The Messenger may profile your activities as part of the campaign.

2. Please tell us a little about your school and any 'green' programs or environmental activities you are involved in (current or future).

3. Where will you plant the biodiversity pack of ten native trees and shrubs in your school community?

Applicant signature: Date:

Please complete and return this form by Friday 19th August. Forms can be mailed to Trees For Life, 5 May Tce, Brooklyn Park SA 5032 or Email to info@treesforlife.org.au with 'Green School Fundraiser' as the subject or fax 8406 0599. Any questions? Call Trees For Life on 8406 0500.
