### Choose Your Option

<input type="checkbox"/>	<b>1. Offset Plus</b>	\$22 per tonne. If you wish to make public offset claims you will need to donate or purchase Voluntary Carbon Units (VCU) accepted under the new National Carbon Offset Standard. (GST may be applicable to purchases). We include a Trees For Land tree (see below) for each VCU you donate or purchase.
<input type="checkbox"/>	<b>2. Trees For Carbon*</b>	\$4 per tree. Tax deductible donation. Mixed species native plantings, protected from clearance for a minimum of thirty years. The sites are externally audited in their fifth year. * Based on an estimated five trees per tonne
<input type="checkbox"/>	<b>3. Trees For Habitat</b>	\$3.30 per tree. Tax deductible donation. Mixed species native plantings for rich and diverse habitat refuges for local species with the additional benefit of future carbon sequestration. They will be protected for a minimum of ten years.
<input type="checkbox"/>	<b>4. Trees For Land</b>	\$2 per tree. Your tax deductible donation will help provide propagation materials or tubestock for programs which will improve the quality of previously cleared rural land.
