

Trees For Life

2009 Volunteer Grower Form

- I have read the Information Sheet and I want to grow
6 8 10 15 20 other(Please circle number)
boxes of seedlings to help a landholder or revegetation project

If you want seedlings for your own use this is the wrong form for you. Phone 8406 0500 today to get an order form sent out. Landholder Orders close on July 31.

Please grow 10 boxes if you can
If you have grown before, or you live in the country, please consider growing 10 boxes because many farmers order that number.

- I have checked my address label overleaf and corrected it if necessary
- My contact details are:
Phone H.....W/M.....

- SA Water, the Tree Scheme sponsor, will issue Water Restriction Exemption permits to TFL Volunteer Growers. Please tick this box to give us permission to register you with SA Water as a TFL volunteer grower

We will match you with a landholder.

If you want to grow for a particular landholder, first check that they have placed an order and that you have their agreement before you list them below. Make sure that the number of boxes you offer to grow is the same as the number of boxes that your preferred landholder has ordered. Please return this form before October 1 for us to make the match.

- Please match me with a suitable landholder
- OR I would like to grow for the same landholder I grew for last year
- OR I'd like to grow for: Name.....
Their TFL Member No (we need this to get the right match)
- I have discussed it with them, they have agreed and they have confirmed they have already placed an order for the 2010 planting season

THANK YOU FOR OFFERING TO GROW THIS YEAR
WITH YOUR HELP ANOTHER 1 MILLION TREES WILL BE PLANTED IN AUTUMN 2010

tear along perforation

Questions?

If you have any questions about this form please phone
Trees For Life on 8406 0500
