- See Style Guide for artwork options. The Carbon Neutral logo is protected and cannot be used without authorisation. Clients who have offset a minimum of 20 tonnes or who have funded at least 120 trees can use the logo on request subject to approval of the final artwork which incorporates it. Approvals are current for 12 months for once only contributions.
- Carbon Neutral will provide you with a certificate each year.
- There is a minimum donation of 20 tonnes or 120 trees which entitles your organisation name to be listed on our green supporter's page with a link to your website.
