

Trees For Life

Grow
a great
team!

Corporate volunteering packages with Trees For Life

Trees For Life offers meaningful volunteering experiences in beautiful natural settings that provide the perfect opportunity for staff to unwind and experience the proven health and wellbeing benefits of nature.

We offer a variety of opportunities for your organisation to roll up your sleeves and contribute to protecting our native plants and animals. Packages range from no cost activities joining in with other volunteers to tailored packages and a full team day facilitated by leadership training organisation Knee Deep. As a not for profit organisation, we rely on donations, sponsorship and grants to cover our expenses.

Bush For Life Team Days

- Go to one of 300 bushcare sites
- Skilled bushcare supervision
- All safety & work equipment supplied
- Includes insurance
- Join with other volunteers
- 9:00am – 3:30pm on site.
Transport available on our bus from Brooklyn park leaving at 7:30am and returning at 5:00pm

Cost

- 1 – 3 people: Free
- 4 – 8 people: \$350

Exclusive packages

Supervised bushcare volunteering including insurance and equipment with additional features:

- Flexible hours (including weekends)
- Location can be negotiated
- Nature walk with our expert staff showcasing rare and native plants (optional)
- Pick up and drop off from location of your choice (maximum 11 people. For more people we can organise transport at cost)
- Catering available for \$20 per person
- Social media promotion on TFL's Facebook and Instagram accounts
- No other volunteers present
- Up to 20 people (for more than 20 people a package to suit can be negotiated)

Cost

- Half day (3 hours on site + transport) \$1450 (\$2100 for weekends)
- Full day (6 hours on site + transport) \$2250 (\$3000 for weekends)

Please note: Activity needs to be booked and paid in advance (2-3 months)

Team Day out (in Partnership with KneeDeep)

Team Day out will include a combination of team development activities and outdoor environmental activities such as bushcare, tree planting or seed collection depending on the season. Team development activities will occur in an exclusive venue in Strathalbyn with all catering & bus transport provided.

Proposed approach

1. KneeDeep has an initial session with the client to determine current priorities, issues, recent team activities and any existing team goals/plans for the coming year
2. Delivery of full day of team activities that incorporate 2 hours of outdoor bushcare or planting activity nearby. The team building activities will be negotiated on a case-by-case basis but options include:
 - Innovation in the workplace
 - Change management
 - Employee wellbeing, including team profiling
 - Team culture and communication (including developing a team charter)

Cost: \$5,500

Help us create habitat for wildlife

For an additional contribution of \$500 your organisation can purchase 150 trees through our Trees For Habitat program that will be planted at Monarto for the endangered Malleefowl. You will also receive a certificate and have access to the TFL logo for 12 months on your website and promotional materials.

Offset your greenhouse emissions and support local biodiversity

Our Carbon program allows you to offset your emissions through planting trees that are protected for 30 years. A great feature of our Carbon program is that it is totally local and provides many benefits to biodiversity as well as reducing your carbon footprint. Talk to us to help you calculate your workplaces' carbon footprint.

Other volunteering opportunities

If your staff are keen to support Trees For Life, we have many more opportunities! Ideas include:

- Organise a staff gold coin donation for morning tea or casual day
- Raise money for Trees For Life through everydayhero.com/au or good2give.org.au
- Volunteer in our office or nursery

Sponsorship

Talk to us about how you can partner with Trees For Life to support our programs that deliver so many benefits to the South Australian environment and community.

Sponsors who contribute over \$10,000 can book up to 8 staff members into one of our existing Bush For Life activities at no cost.
